

Howzit

- South African 🇿🇦 on a temporary stay in the British countryside
- Scheduled to start a PhD at the [Poisot lab](#) using AI methods in ecology
- Committed to (and educating myself on) developing more open and reproducible workflows
- Working on broadening my knowledge of machine learning and programming workflows
- Excited to start learning more about Julia
- Part-time doodler, 🐾 Adrenaline junkie, and ☕ warm beverage fan
- Tweets [@TanyaS_08](#) and 📝 blogs at [TanyaDoesScience](#)
